**M**iddle Country Library Foundation hosted its second “A Night at the Library: Word Garden” – a fundraising event that featured a “word casino” filled with games and activities, live music, dinner and raffles. Proceeds from this event will support the many special initiatives fostered by the MCL Foundation, such as Family Place Libraries™, Miller Business Resource Center, 2-1-1 Long Island Database and Nature Explorium. The MCL Foundation wishes to thank the event’s top sponsors: Holiday Inn Express, Stony Brook; Island Industrial Boilers; New York Community Bank Foundation and TD Bank for their generous support. ■
